

Our Mission *

An organization's mission statement describes its core purpose or "raison d'être". After significant consultation, we have determined Horizon's new mission will be:

Helping People Be Healthy

Good health lies at the heart of our daily quality of life. It is what all New Brunswickers want for themselves and those they love. Helping New Brunswickers be as healthy as they can be is the shared purpose that motivates all those who work at Horizon on a daily basis. We achieve best results through placing our patients and clients at the centre of our health delivery system. We seek and require the support of communities and other stakeholders to best serve our population.

As per Section 4(2) of Regulation 2012-7 under the *Regional Health Authorities Act*, I accept the Mission Statement approved by the Board of Directors of Regional Health Authority B (Horizon Health Network), January 29, 2015, and will serve on the board in accordance with the spirit and intent of the Mission Statement.
